# Launching HOMMAGE

## A NEW ERA IN WELL-BEING

HOMMAGE epitomizes modern masculinity with a new GENERATION of spa and wellness components to complement their men’s grooming offering.

Rooted with over a decade of science and advanced formulations, from cleansing, purifying, awakening and fortifying, the new GENERATION HOMMAGE allows attention to be placed on wellness, with integration of all the senses.

HOMMAGE now offers sought after, on-trend wellness lifestyle experiences & programmes with CRYO, TECH & AROMA elements

*“We are immensely proud to partner HOMMAGE in the development of this new wellness component; not only does it embrace wellbeing, it integrates on-trend tools to offer a complete male solution ”*

**Janette Watts: FOUNDER TPH**

### TPH BRANCH OFFICE IN KSA IS OPENING ...

Meeting the ever-expanding demand for diverse brands is a top priority, and The Product House is actively engaging in conversations with leading corporate hotel chains to identify the perfect brands for their multitude of upcoming projects.

Which brands are you excited to see in KSA?

Share your preferences with us! Your feedback will guide us in bringing you the brands and services to match your interests and requirements
